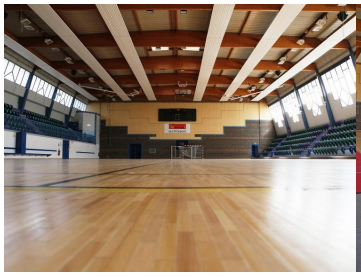
Rabelais Gymnasium

In images



Presentation of the equipment

The Rabelais Gymnasium is situated in the Paul Vauquelin Multisports Complex, 15 minutes from Rouen

city centre and right by the A150 motorway. The gymnasium has among the largest seating capacity in the Rouen urban area (600-seat fixed grandstands and up to 1,000 with mobile grandstands). It also boasts a wide variety of high-quality additional facilities (gym, club house, dojo, athletics track and gymnastics room). There are a further two gymnasiums adjoining the Rabelais Gymnasium, each with facilities measuring 40 m x 20 m. The complex is therefore ideal for preparing for competition in specific disciplines, as well as for more general preparation, with outstanding facilities and services.

Year of construction : 1985

Last renovation : 2016
