Presentation of the equipment

Sartilly-Baie-Bocage enjoys a prime sport in the heart of Mont-Saint-Michel Bay, half-way between

Avranches and Granville, and on the border between Normandy and Brittany. The town is easy to reach from Granville train station and the nearby A84 motorway. It is also a quiet, peaceful location for athletes to train. The modern, spacious sports complex, which opened in September 2017, stands in the centre of the town and is the ideal place for Olympic and Paralympic athletes to prepare for competition.
