Presentation of the equipment

The Grévarin sports complex enjoys a prime location in the town centre, just 10 minutes from the train station (with trains to Paris Saint-Lazare station) and less than 1 hour's drive from the capital by motorway. The facility was renovated in 2008, and new Gerflor flooring will be installed in the multisports room in June 2020. The complex boasts various additional spaces (meeting room, press room, medical centre, anti-doping testing facility, gym). A handball team currently playing in the Proligue could serve as a training partner. The Vernon Regional Youth and Sports Centre (CRJS) is a 10-minute walk away. These features make it the ideal place to prepare for the 2024 Olympic Games.
