## Presentation of the equipment

The Henry Jeanne Sports Park is in an incredibly scenic location near the botanic gardens. Renovated in 2006, the stadium offers an excellent practice area and seating capacity for 3,444 spectators. Its location, close to a wide range of other facilities (hotels, restaurants, pool, etc.), makes it the ideal place for preparatory training. With the area's cultural and historic heritage and its proximity to the coast, there are plenty of options for rest and recovery.
