Presentation of the equipment

The complex, located 2 hours 30 minutes from Paris, 10 minutes from the centre of Le Havre and 15 minutes from the coast, is home to France's oldest rowing club. It is a regular training base for many international rowers. In 2016, the French Women's Rowing Team held its final training camp at the complex before the Head of the River Race in London. The complex is designed for elite athletes. It is practical, easy to access, and provides ideal rowing conditions whatever the weather.

Year of construction : 1989
